

Dual Career Assistance for Dean's and Vice President's Offices at Wake Forest University

Andrea C. Ellis: Director, Recruitment and Organizational Development

Initial point of contact for people that are in need of assistance. Can discuss opportunities at WFU, provide resume coaching, and local contacts. Determines (if applicable) who the best resource for them to connect with will be depending on experience and interests. If the person needs additional attention, lets the resource know that they should provide additional assistance.

Kim Fields: Director of Career Services, School of Law

Resource for candidates with a specific interest/experience in the field of law.

Guy Groff: Director of the Career Management Center, WFUSB

Resource for candidates with a general interest/experience in business.

Carolyn Couch: Associate Director, Career Education and Counseling, Career Services

Resource for candidates with a general interest/experience in liberal arts, education, "other."

Deborah Steele: Employment Manager, Human Resources at WFUBMC

Resource for candidates with a specific interest/experience in medicine, research, or the hospital.

Andy Chan: Vice President of Career Development

Additional resources for the Dual Career Program.

Angela Culler: Director of Operations, Human Resources

Additional resources for the Dual Career Program.
